

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WISCONSIN**

**DISH NETWORK L.L.C.,
ECHOSTAR TECHNOLOGIES L.L.C.,
and NAGRASTAR LLC,**

CASE NO.: 11-CV-312

Plaintiffs,

v.

**MARK BENDER, individually
and d/b/a WWW.AAAFTA.COM,**

Defendant.

ORDER TO UNSEAL CASE

This case was originally opened under seal and Plaintiffs thereafter filed an Ex Parte Motion for Order Temporarily Sealing the Case, which this Court granted following hearing on May 13, 2011. The purpose of the sealed nature of the case was so as not to tip off or otherwise apprise Defendant of Plaintiffs further ex parte efforts to obtain a temporary restraining order directed at internet host providers to lock down and secure the alleged piracy website owned and maintained by Defendant. This Court granted Plaintiffs' Motion for Temporary Restraining Order, likewise, following hearing on May 13, 2011.

Plaintiffs have advised this Court that the alleged piracy website has indeed been locked down and secured, and that Defendant has been served with the pleadings and records on file herein. Accordingly, the original stated need to have this case sealed no longer exists.

Accordingly, **IT IS HEREBY ORDERED**, that this case shall no longer be sealed and shall be now open as a public record consistent with normal Court practices.

Signed this 20th day of May, 2011.

BY THE COURT

Honorable Barbara B. Crabb
United States District Judge
